Education

Bachelor of Engineering (Hons) - Computer Systems Engineering - 3rd Year - University of Auckland

Hardware Software Systems, Computer Architecture, Applied Electronics, Control Systems

Experience

21e8 - (AI Labs Startup)

Software Intern (July 2025, Nov 2025 - Feb 2026)

- Full-stack development for software managing datasets and geospatial drone data
- Built client-side apps using Svelte, HTML, CSS and JS based on user stories
- Built a backend with C++ using http lib and Taskflow
- Updated DroneInstitute of our progress via video presentations
- Gained exposure to dataflow systems and agentic AI development

Electronic Partners

Production Assembly, Testing and House-Keeping Engineer (Nov 2025 - Feb 2026)

- Debugged and tested PCBs for various clients including lift control PCBs
- Managed electronic parts inventory and prepared BOMs for PCB assembly
- Developed a file transfer system between Android devices and MCUs

MyTution

Tutor (Apr 2024 - Nov 2025)

- Taught A2 Economics, A2 Physics, and Year 9 Maths online

Projects

Auckland Programme for Space Systems (APSS)

Avionics Team Lead (July 2024 - Present)

- Managing a team of undergraduate engineers
- Designed and tested a space rated radiation detector
- Gained experience in Power Systems and Control Systems
- Working through qualification and acceptance of APSS-2 one of our CubeSats
- Designed a multi-battery charger capable of charging 6 LiPo batteries simultaneously

Indie Game Developer

(2019-2022)

I participated in multiple game jams gaining experience in C#, level design, animation and visual effects using Unity Game Engine.

[Itch.io](#)

Skills

- **Programming Languages:** C, C++, C#, Python, Java, HTML, CSS, Javascript, Svelte, VHDL
- **Cleanroom Trained**
- **Altium Designer**
- Machine Learning
- Data Structures and Algorithms

Awards

Young Physicists Tournament

(Jan 2023 - May 2023)

Researched physics problems and competed internationally against top teams

Leadership and Volunteering

NZHSF (2025): I was the events lead of the New Zealand Hindu Students Forum
